Material Safety Data Sheet

Hydron WP100

Not classified as hazardous according to criteria of WorkSafe Australia.

Product Name	
Trade Name:	Hydron WP100
Other Name:	
Manufacturer's Code:	
U.N. Number:	N/A
Dangerous Goods Class and Subsidiary Risk:	N/A
Hazchem Code:	N/A
Poisons Schedule:	N/A

Use
Waterbased Undertile Waterproof Membrane

Physical Description/Properties	
Appearance:	Grey Viscous Liquid
Boiling Point:	100°C
Vapour Pressure:	17.5mm Hg @ 20°C (water)
Flash Point:	N/A
Specific Gravity (Kg/L):	1.34
Percent Volatiles:	40

Ingredients		
Chemical Entity	**CAS No.**	**Proportion**
Silica Aggregate	14808-60-7	10-60%
Synthetic Rubber Resin	None Allocated	10-60%
Non-Hazardous	N/A	<10%
Antimicrobial additive	Proprietary	<2%
Water	7732-18-5	to 100%

Health Effects	
Swallowed:	N/A
Eyes:	N/A
Skin:	N/A
Inhaled:	N/A

Mobile: 0431577327
Ph: 08 8235 1640
Fax: 08 8353 8226

Advice to Doctor:	Treat symptomatically.

Precautions for Use	
Exposure limits:	N/A
Ventilation:	N/A
Personal protection:	Wear appropriate PPE
Flammability:	This product is not flammable.

Safe Handling Information	
Storage and transport:	Store in a cool dry place, well ventilated area away from incompatible storage materials such as strong acids, strong bases and oxidising agents. Protect from freezing and against physical damage. Keep containers closed when not in use.
Spills and disposal:	Absorb split product into inert absorbent material, sand or earth and collect and place in labelled containers. Dispose as per local state and federal government regulations. Do not allow large spills to enter drains or sewers, inform local water authority and EPA in Accordance with local regulations.
Fire/explosion hazard:	N/A

Contact Point	
Technical Manager:	Matthew Bolzon
Phone:	08 8235 1640

Disclaimer
Any advice, recommendation, information, assistance or service provided by Hydron in relation to its products or their use is given in good faith, however is provided without responsibility or liability. Customers need to undertake their own assessment to determine the suitability of a product for the particular use intended. As the performance of any product is subject to a wide variety of different surface types as well as environmental and surface-specific conditions, we are unable to assume liability for any loss, consequential damages or otherwise that may arise from the use of our product. Where a product is proven to be defective, our liability is limited to the replacement of the product only.
